Tribridge Receives Microsoft's Prized 2010 Global Partner of the Year Award
Technology Consulting and IT Services Company Garner's Top Honor at Microsoft's Annual Partner Conference for Second Time in Three Years

TAMPA, Fla. (July 20, 2010) – Tribridge (www.tribridge.com), a leading U.S.-based IT services and business consulting firm, was named the 2010 Worldwide Microsoft Dynamics Outstanding Partner of the Year, an honor given to the top performer in the global Microsoft Dynamics partner channel. The award was presented during [Microsoft's Worldwide Partner Conference](#) (WPC) in Washington, D.C.

The firm was selected for the award from among thousands of partners around the world based on growth and the innovative use of Microsoft technologies to deliver strategic and valuable solutions that meet diverse customer needs. The recognition follows the firm's designation as the Worldwide Microsoft Dynamics Outstanding Partner of the Year for 2008.

"Tribridge is an outstanding Microsoft partner with a solid reputation for technology innovation and exceptional service," said Doug Kennedy, Vice President of Microsoft Dynamics Partners. "This recognition represents the highest achievement attainable by a Microsoft Dynamics partner, and Tribridge has earned it twice in the last three years, a testament to their ongoing commitment to delivering outstanding solutions to customers."

Tribridge's year-over-year Microsoft Dynamics revenue growth is up nearly 50 percent, representing a dramatic increase in sales across each of the five Dynamics ERP and Dynamics CRM solutions during Microsoft's 2010 fiscal year. The firm offers technology services integrated across all [Microsoft Dynamics solutions](#) (CRM, AX, NAV, GP, and SL), Microsoft SharePoint, Microsoft .Net custom software applications, Microsoft Core Infrastructure, IT security solutions and Managed IT services. Tribridge solutions are deployed through an on-premise, Cloud-based, hosted or hybrid IT services model.

"Our team is both humbled and honored by this distinction, particularly because it highlights our number one priority, and that is to help our customers maximize their technology investments," said [Tony DiBenedetto](#), Tribridge Chairman and CEO. "These are exciting times not only for Tribridge, but for all Microsoft partners. With the growing demand for online solutions and managed IT services, there is no shortage of opportunity to help our customers achieve greater productivity and profitability."

Tribridge earned several accolades in addition to the Worldwide Microsoft Dynamics Outstanding Partner of the Year award at the 2010 WPC, including awards for Distinction in
