**Zeller Corporation International Inc. Recognized for Outstanding Business Achievements
Earns Microsoft Dynamics® Award Excellence in Industry Implementation**

TAMPA, Fla. (March 21st, 2011) – Tribridge is pleased to announce our customer, Zeller Corporation, was recognized by Microsoft® with a 2011 Microsoft Dynamics Customer Excellence Award for excellence in Financial Management for Microsoft Dynamics GP and will be honored by Microsoft executives at an awards luncheon on Monday, April 11, at Convergence 2011 Atlanta, the premier Microsoft Dynamics user conference.

The 2011 Customer Excellence Awards, which are presented in 19 categories, recognize and celebrate Microsoft Dynamics customers that have achieved notable accomplishments using Microsoft Dynamics solutions.

Zeller Corporation was recognized for its strong commitment to financial management. Working with Microsoft Dynamics certified partner Tribridge, Zeller Corporation implemented an integrated financial management solution that incorporated project accounting, manufacturing, business analytics and complete vendor rebates management. This comprehensive solution helped Zeller positively transform the way the work with customers, vendors and internal stakeholders.

Established in 1997, the Customer Excellence Awards are awarded each year at the Convergence user conference in the United States. Microsoft Dynamics customers, partners and team members submit nominations. Judging teams for each of the categories rated nominations on category specific criteria. Proposed winners for each category were then presented and reviewed by a panel of Microsoft executive judges for final approval. As part of that final review winning customers were chosen, including the Overall Excellence Award winning customers.

Microsoft Dynamics is a line of financial, customer relationship and supply chain management solutions that help businesses work more effectively.
