Tribridge Named #1 Reseller of Scribe Software

TAMPA, Fla. (July 22, 2009) -Tribridge (www.tribridge.com), a leading U.S.-based IT services and business consulting firm, was named Scribe Software's Reseller of the Year during Microsoft's Worldwide Partner Conference in New Orleans last week.

This honor recognizes Tribridge's achievement as Scribe Software's top revenue producing reseller in the Americas region for the calendar year 2008. Scribe Software provides configurable data migration and integration software solutions for CRM implementations in order to help employees within an organization share customer data for more effective critical business processes and decisions.

"Tribridge's growth and success sets them apart in the industry," said Brian McMurray, Scribe National Partner Manager. "They are a terrific partner that is motivated to deliver the best quality service to their customers."

Tribridge has been working with Scribe for more than 5 years to help customers quickly and seamlessly integrate their mission-critical solutions with other business applications and data stores in the enterprise.

"We are proud of our partnership with Scribe and rely on them to provide us with the exceptional integration tools we need to design and deploy comprehensive Microsoft Dynamics solutions for our customers," said Shannon DiBenedetto, Director of Tribridge's CRM Practice.

About Scribe

Scribe Software Corporation provides cost-effective, no-coding solutions that can be used as the only tool businesses need to integrate virtually any application, data source or Software as a Service (SaaS) platform. Scribe solutions are simple to configure and provide ease of modification as business processes change. For more information about Scribe, please visit www.scribesoft.com
